## ABOUT US

**Established in 1995** Daulat Global Developers Pvt. Ltd. has earned a reputation as a trusted and reliable name in the construction and civil infrastructure industry. Over the years, we have built a legacy of excellence, delivering high-quality projects across state highways, national highways, and expressways in India.

We offer services in Construction of Structures like **Major Bridge, Minor bridge, Under/OverPass & Box Culverts** etc. and we are committed to work as per specifications set by IRC and MORTH. We aim to offer comprehensive solution to the client's need in the construction work with 100% client's satisfaction. We have successfully executed construction works Since 1995 of Structures on various Roads Like, State Highways, National Highways & Expressways within stipulated time frame and standard engineering practices.
